

Musicians and Singers at Weddings

With reference to weddings celebrated here at St. Peter's parish, the following policy regarding our musicians and singers is in effect:

- **The fees for an in-house musician for each wedding will be \$175.00**
- **The fees for an in-house soloist for each wedding will be \$150.00**

(this includes a 30 minute consultation between the couple and the assigned musician)

Singers/soloists

No outside singers/soloists will be allowed to sing during the wedding ceremony. If a relative or friend would like to sing ONE song, they may be permitted to do so but only with the prior, explicit and written permission of the pastor (Fr. Michael) and consultation with the in-house musician who is assigned for that day. An in-house soloist has been assigned for each wedding.

Musicians (organists/pianists)

An in house musician (organist/pianist) has been assigned for each wedding. If any additional musicians are required (string ensembles, horns, etc.), please contact the in house musician assigned for that day and they will help you to book them so long as you hire the in-house musician for the ceremony. No other organist/pianist may play during the wedding ceremony. If you do not wish to have the in-house musician playing that day but still require outside musicians, you must first contact the in-house musician assigned for that day and then you may proceed to book your own outside musicians.

Any special requests with regards to musicians/vocalists may be directed to the pastor and handled on an individual basis. Standby fees may be required ranging anywhere from \$50.00 to \$150.00.
